DESCRIPTION

The planning information can be accessed on-line via the Clackmannanshire Council's website:

If the plots are sold as serviced plots, each plot sold will be subject to a design brief which will confirm the range of architectural styles and materials which each house can be built to. The overall aim is to allow each buyer to construct a bespoke home, but one which fits well within the setting and in relation to the neighbouring properties.

A plot can be reserved upon payment of a £500 deposit. A missive is then issued and a further payment of £500 is made. The £1,000 is deducted from the overall sale price of the plot.

NB – The £1,000 is non-returnable.

Timescales for the servicing of each plot will be confirmed shortly. Full settlement of the purchase price is required fourteen days after services are installed.
