SITUATION

The development sites are situated to the north western edge of Lochgelly in Fife. The village offers local shopping facilities and a primary school.

DIRECTIONS

To Lot 1: From the A90, take junction 3 at Dunfermline onto the A92. Follow this road until the Lochgelly turn-off is reached. Turn first left and proceed straight on at the first roundabout. Turn left at the next roundabout (A910) towards Lochgelly. Turn right onto the B920 signposted Lochore Meadows and immediately first left. After about 400 metres turn first right down Adam Place and first left at the Primary School. Proceed along this road and turn right at the end. This is the access into the development site with the golf course on your left. Proceed to the end of this road and turn right past the golf clubhouse. The area of land is situated on the left hand side overlooking the golf course and having excellent views northwards to the Lomond Hills.

To Lot 2: From the A90 proceed as above until towards Lochgelly. Turn right onto the B920 and continue on this down past the railway station past Lochgelly High School and turn left just after the High School into the site. The road access is in from the east. The sellers have secured adequate access.

The above plan is produced from the Ordnance Survey map by permission of The Controller of H M Stationery Office. Crown Copyright. Not to Scale.

DESCRIPTION

Lot 1 extends to about 8 acres. It slopes gently to the north with open views over attractive countryside to the north and over Lochgelly golf course to the south and west. The railway line runs along the north edge of the site and there are existing houses to the east of the site. There is a railway underpass which can be utilised by the owners of the proposed houses to access core path walks over farmland tracks to the north and on to Lochore Meadows. Ogilvie Homes submitted a planning application for 77 houses and 16 flats but withdrew from the purchase and withdrew the planning application.

The site enjoys easy access to the dual carriageway, which offers excellent links with Edinburgh and Kirkcaldy to the south west. Lochgelly provides an abundance of local amenities including a primary school, a new secondary school with good playing fields and a swimming pool, newsagent, a doctor's surgery and a railway station (which is about to be developed). Kirkcaldy is a fifteen minute drive away and has all the amenities expected of a

large town, ranging from a substantial retail area to excellent sporting facilities including golf courses, leisure centre and an ice rink. Dunfermline is about fifteen minutes away as well. It also has excellent facilities including a multiplex cinema, swimming pool etc.

Lot 2 is a block of land extending to approximately 22.7 acres (plot A on plan at rear of particulars). It is identified as a Strategic Land Allocation and will likely secure planning consent for about 165 houses. It is located adjacent and to the west of the Lochgelly High School and the rail station. It has excellent views with farmland to the north and west. (See below and please contact McCrae and McCrae Ltd for more information). The road access is to come in to the north of Lochgelly High School. McGregor McMahon are preparing plans for this access. There is going to be a new core path to Lochore Meadows Country Park (one mile to the north) which has sailing, fishing and horse riding.

"The approved Fife Structure Plan 2006 – 2026 identifies Lochgelly as a location for a Strategic Land Allocation. A number of sites around the town will be developed in a phased manner over and beyond the Local Plan period. The vision for Lochgelly is to develop a compact urban town, with new development in sustainable, well connected locations with a viable and vibrant town centre. This vision for Lochgelly has been supported by the selection of Lochgelly Strategic Land Allocation as an exemplar project as part of the Scottish Government's Scottish Sustainable Communities Initiative."

"Lochgelly is identified as a location for a Strategic Land Allocation for 1,400 houses and 25 hectares of employment and business land in the Approved Fife Structure Plan. The Structure Plan also identifies that additional units may be allocated to Lochgelly Strategic Land Allocation from the additional strategic supply proposed through Proposal PH3. An additional 350 units have been allocated to Lochgelly Strategic Land Allocation. The Local Plan therefore needs to identify land for 1,750 houses and 25 hectares of employment land in the period up to and beyond 2026. Further expansion will follow post 2026. Development will be linked to the public transport network and will drive the regeneration of the town through improving the town centre, creating employment opportunities, and enhancing the town's identity. There is also the potential for an upgrade to the railway station and new park and ride facilities."

Fife Council Adopted Mid Fife Local Plan January 2012

SERVICES

Tom McGregor of McGregor McMahon (Tom.McGregor@McGregor-McMahon.com 01383 730989) is preparing a report and plans for the connections and road access for Lots 1 and 2.

ROADS & TRANSPORT DEPARTMENT:

Fife Council EPPS. Transportation Development Management, Kingdom House, Kingdom Avenue, Glenrothes KY7 5LY 08451 555555 ext 480211.

MAINS WATER & DRAINAGE:

It is up to the purchasers to satisfy themselves as to the cost and provision of Mains water and drainage. Further information can be received from: Scottish Water, 0141 355 5511. DWD forms have been submitted to Scottish Water for technical approval. It is anticipated that the mains sewage connection would be through the rail underbridge to the mains sewer on the north side of the railway. Suds ponds would also be on the north side of the railway.

MAINS ELECTRICITY

It is up to the purchasers to satisfy themselves as to the cost and provision of Mains electricity. Further information can be received from: Scottish Power, Cathcart House, Spean Street, Glasgow, G44 4BE Tel: 0141 568 2000

MAINS GAS

There is a substantial gas main up the east side of the property. It is up to the purchasers to satisfy themselves as to the cost and provision of Mains gas. Further information can be received from: Scottish Gas, PO Box 23114, Edinburgh, EH5 1YR.

LAND STABILITY

The lands have been drilled with supervision from Tom McGregor of McGregor McMahon, Pitreavie, Dunfermline. The lands have been drilled and are substantially free from underground workings. Some grouting may well be required at a cost of about £100 to £150,000. Please refer to Tom McGregor for more information

PLANNING DEPARTMENT

Enterprise, Planning and Protective Services, Kingdom House, Kingdom Avenue, Glenrothes, KY7 5LY 0845 155 1122

CLOSING DATE

It is likely that a closing date for offers will be set and prospective purchasers are advised to register their interest in the property to ensure that they are given notice of any closing date. Failure to register interest may result in the property being sold without notice.
