SITUATION

Jamesfield Farm Steading enjoys a rural setting and is situated a few hundred yards south of the intersection of the River Earn and River Tay. The site is located within walking distance of Jamesfield restaurant and garden centre (0.6m) via a quiet, unclassified public road. There are also offices/nursery units available to rent in the restaurant building. It is also only 2 miles away from the beautiful conservation village of Abernethy, with its famous historic round tower at the centre. The village of Newburgh is only 3 miles away.

Unique opportunity to purchase a house plot and a paddock, for a couple of horses, with hacking around Jamesfield Farm. There is a right of way through fields up to Abernethy and walks up the River Earn to Bridge of Earn. There are excellent local shops and restaurants in nearby villages, with larger supermarkets, leisure centres and excellent facilities in Perth (10 miles), Cupar (13 miles) and Dundee (21.5m).

There is a mainline railway station in Perth with a service every 15/20 minutes to Edinburgh and every hour to Dundee.

Abernethy Primary School with its new extension is 1.5 miles away and secondary schools are located in nearby Perth.

For the more adventurous, there are excellent walking and cycling routes through the nearby Abernethy forest, abseiling, kayaking and fishing opportunities on the River Tay and the River Earn.

PLANNING CONSENT

Planning consent in principle was secured on appeal 05/12/17 Ref **16/02074/FUL** (for 8 dwellings) from Perth & Kinross Council. (Mr Andy Baxter 01738 475000). The section 75 legal agreement has still not been signed. Most of the sheds have already been demolished. The owners intend on applying for 3 or 4 more houses to the south of the site to replace the 100' x 45' shed which would be demolished.

Affordable Housing

As the development comprises 5 or more residential units there is a requirement for affordable housing provision. Considering the rural location of the site, a commuted payment in lieu of onsite provision is considered appropriate. The development attracts a affordable housing requirement of 2 units (8 / 25%) which means a commuted payment of £53,000 (2 x £26,500) is required.

Primary Education

As the local primary school is operating at over 80% capacity, there is a requirement for developer contributions on the non-affordable housing (6). To this end, a developer contribution of £38,370 (6 x £6,395) is required as part of this proposal.

Transport Infrastructure

The site lies within the reduced contributions area for contributions. To this end, Transport Contributions of £18,472 (6 x £2,639, 2 x £1,319) are required.

(The total cost payable in terms of the Section 75 agreement above will likely total about £13,000 per plot).

DESCRIPTION

Approximately 2.57 acres (1.04 ha) with planning consent for eight newbuild detached dwellings in a courtyard layout, with fantastic views over open countryside with the River Tay and River Earn nearby.

The layouts in these particulars show three house types. Two are 4 bedroom houses on two floors, but these could be altered to suit individual needs. You can purchase a plot and a paddock and have a house designed for you.

At present there is a farm steading which has been demolished for the erection of the 8 proposed dwellings.

COST OF SELF BUILD

McCrae & McCrae Ltd can provide a list of builders (likely cost £1200sqm) and can assist in providing finance. Building a house is an ideal way of avoiding the 10% stamp duty over £325,000.

SERVICES

Mains electricity £7,400 for 12 houses

Private sewage £21,000 for 12 houses

Private water off existing supply (cost still to be confirmed).

Road improvements (incl 5 passing places. Costs to be confirmed).

EXCELLENT LOCAL WALKS AND HACKING

The road down to the River Earn Ferry, the track up the side of the Rivers Earn and Tay, the right of way through the fields to Abernethy and the quiet public road.

DIRECTIONS

From Edinburgh, cross the Forth Road Bridge, take the M90 signposted Aberdeen, Dundee, and Perth. Leave the M90 at junction 9. Turn right onto the A912 signposted Newburgh, Cupar. At roundabout take the 1st exit onto the A913. Proceed through Abernethy and after a mile you reach traffic lights due to a narrow railway bridge. After these lights turn almost immediately first left. Proceed past the farm restaurant and nursery down the hill and turn first right off the quiet public road onto a tarmac farm road. Proceed past the farm bungalow (where one of the owners lives) and the farm steading is 200 yards further along the farm road.

From Dundee, cross the Tay Bridge. At the Tay Bridge roundabout take the 2nd exit onto the A92 signposted Edinburgh, Kirkcaldy. At the Forgan roundabout take the 2nd exit onto the A92 signposted Edinburgh. Turn right onto the A913. Continue past Newburgh. Turn right, then turn right. Arrive at Jamesfield Farm.
